Illustration, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability in the market. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various aspects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. **Note.** The Bluetooth® trademark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under license. LIVE THE RANGER LIFE

Ford

LIVE THE
RANGER LIFE
Ford

What's Next Is Up To You

The Next-Generation Ford Ranger is built with both the intelligence and the tough, rugged capability to help you accomplish whatever is next on your list. Your next work site. Next fun outing. Next big adventure. Ford's most capable and versatile Ranger ever, it will enable you to live the Ranger life, your way.

#FindYourNext

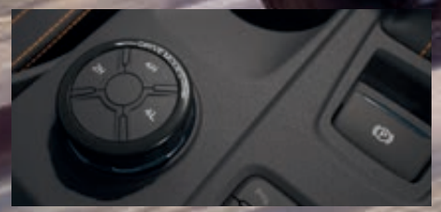

Power To Forge Ahead

Your Next-Gen Ford Ranger will get you to your next destination, no matter how tough the route or terrain. Like you, there is no challenge it cannot tackle head on. A strong, unshakeable partner with the drive to match your own.

Engine: 2.0L Bi-Turbo Diesel Engine

New and improved engines deliver the power, torque and fuel economy you need, paired with automatic transmissions that are more refined, responsive and efficient.

Drive Modes

Switch between 2WD and 4WD (high or low range) by using the new Selectable Drive Modes to optimize performance for different surfaces, road conditions and vehicle usage.

2.0L
Bi-Turbo

TORQUE
500Nm

POWER
210PS

10-Speed
Automatic Transmission

Disclaimer:
Specs may vary according to variant.

C-Clamp LED Headlights

Flanking the bold new grille are signature C-Clamp shaped headlights reflecting the distinctive look of the Next-Gen Ranger.

LED Tail Lights

LED tail lights clamped onto the new tailgate.

Wider Stance

New fender flares, larger wheel arches, strong shoulder line and wider track bring about a dramatic sculpted effect and a more athletic look.

50mm Increased Wheel Base and Width

The Ranger is now wider and longer, which means enhanced on-road stance and off-road ability.

Rear Box Side Step

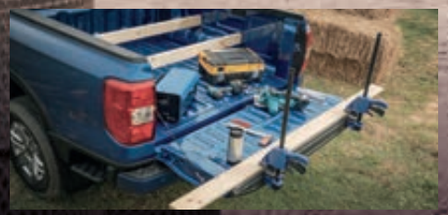

An integrated side step makes it easier and safer to climb up into the cargo box.

Designed For Your Ranger Life

The Ranger is built just the way you want it. Engaging with Ford customers in over 5,000 interviews around the world, our designers now bring you the world's best pickup for work, family and play.

An All-Rounder For Work, Play And Family

The Ranger is now packed with even more features, to inspire you to do more of all that you love. Whatever it is you want to do next, count on the Ranger to deliver on functionality and versatility.

Easy - Lift Tailgate

Easy-lift tailgate, which can be raised and lowered with one hand, doubles as a mobile workbench with a surface suited for any Do-It-Yourself jobs.

Only available on Ranger WildTrak and XLT Plus.

Extra Storage*

Dedicated storage compartments allow you to be better organized, while a wider cargo bed provides space for more gear and equipment.

*Image shown is a Ranger WildTrak.

Spacious Cab

Fully reclining front seats and fold-flat rear seats allow room for larger items or to relax in greater comfort.

New Bedliner Design

Create compartments for better organisation with dividers that are easily installed into the moulded slots. They also protect your cargo by keeping it in place.

10.1-inch / 12-inch

Infotainment Screen

Large high-resolution touchscreen in portrait format allows ample space for navigation and other functions. Compatible with Wireless Apple CarPlay™ and Android Auto ™.

Apple CarPlay™

Android Auto ™

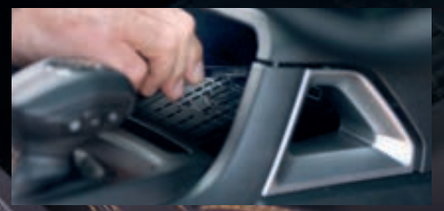

The Next Level In User Experience

Customer-focused technology such as the cutting-edge SYNC®4A infotainment system and large-format digital touchscreen make this pick-up the smartest Ranger yet.

8-inch Digital Instrument Cluster

Enhances your driving experience by neatly organising all the information you need while driving.

Wireless Charging

Wireless charging pad* saves you the hassle of having to plug in your phone. It is also compatible with the latest Qi Technology.

*Only available for WildTrak, XLT Plus and XLT.

SYNC®4A

Ford's latest communication and entertainment system will keep you connected in a smart, clutter-free manner.

Lane Departure Warning & Assist (LDW)

Autonomous Emergency Braking with Pedestrian Detection

Rollover Mitigation

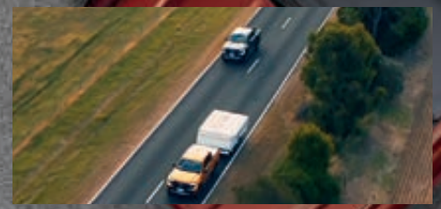

Greater Ease On Your Next Journey

Keeping you and your loved ones safe is paramount. With advanced safety features and new driver assistance technology, you can go anywhere– on- or off-road – with assurance.

Reverse Brake Assist*

A feature that will help you avoid a collision when driving in reverse.

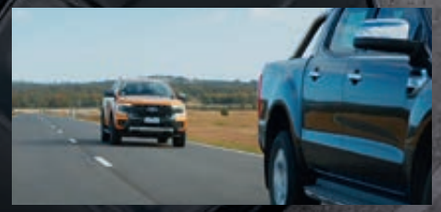

Evasive Steering Assist*

The Next-Gen Ranger is equipped with the feature that will help you avoid frontal collision that monitors your driving conditions.

360-Degree Camera*

Park with confidence with the 360-Degree camera and parking sensors that Ranger have you covered.

Adaptive Cruise Control with Stop-and-Go*

Set your cruising speed to maintain a set pacing distance from the vehicle in front. When that vehicle slows down, so will your Ranger.

Lane Keeping Sensor

To prevent drifting off the road, it has a camera to monitor road edges, day and night.

Only available for Ranger WildTrak and XLT Plus.

Cross Traffic Alert*

Once shifted into Reverse, the system will alert you of vehicles approaching from the sides.

*Only available for Ranger WildTrak
