FOR YOUR ULTIMATE **SAFETY**

As a family-oriented SUV, safety is our utmost priority. The GWM HAVAL H6 HEV comes equipped with **6 airbags** and a body frame made of **71.61% high-strength steel** and **2000MPa thermoformed steel**, providing protection from every angle. In addition, it features **L2 ADAS**, assisting drivers in the safe operation of the vehicle to ensure a smooth and secure journey.

INTELLIGENT MOBILITY

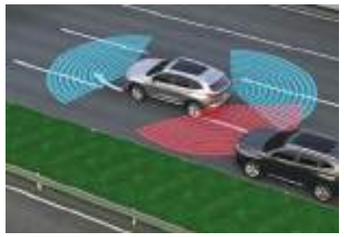

Adaptive Cruise Control (ACC)

Accelerate or reduce speed and maintains a certain distance from the vehicle in the front.

Automatic Emergency Braking (AEB)

Designed to apply your car's brakes when you can't to help avoid or reduce the severity of a crash.

Lane Keep Assist (LKA)

Brings the vehicles back into the lane if the driver deviates unintentionally.

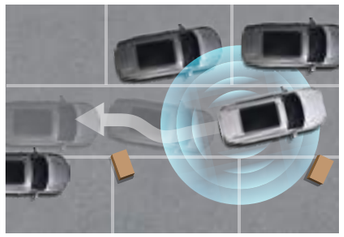

Lane Change Assist (LCA) + Blind Spot Detection (BSD)

Helps drivers safely make lane changes and warns drivers of approaching cars in their blind spots.

Automated Parking System (APS)

Complete all parking styles without manual control.

Auto Reversing Assistance (ARA)

Trace back and return to the original path within 50 metres.
